Guest Speaker

Kim Libreri is a former Balshavian and winner of two Academy awards as well as being nominated for another, who has had an amazing career in visual effects and digital technology. Kim was Chief Strategy Officer for Lucas film where he worked on the Star Wars films. He also developed the legendary "bullet time" technology used in The Matrix.

Now Kim is working for Epic Games, makers of Unreal and Gears of War. We look forward to hearing more about his achievements and what the future of technology may hold.

The John Stanning Exhibition

John Stanning was the Chairman of the Governors of Balshaw's School and owner of John Stanning & Son Limited, a bleach works in Leyland. After his death in 1904, his friends collected a fund of monies, The John Stanning Memorial Trust, to be used to provide exhibitions to former students of Balshaw's School, now Balshaw's CE High School.

The capital value of the Trust has now been substantially restored and the Trustees recommenced the award of exhibitions in 1990. Awards will be made to former students of Balshaw's CE High School, who subsequently attend university, on the basis of academic excellence. An annual exhibition or exhibitions of up to £500 will be awarded to successful candidates to assist with the purchase of books or other educational requirements. Any former student of Balshaw's CE High School may apply.

Applications for an exhibition should be made by 30th September in each year, and wherever possible before the first term of their university studies. Applications should be made in full, in writing, to the Headteacher of Balshaw's CE High School. The Trust is looking for more Trustees. If you are interested, please contact the school.

The John Stanning Memorial Trustees are very keen to increase the capital of the trust and any individual or company that supports the aims of the Trust and wishes to make a donation, should contact the Treasurer, Mrs Karen Bishop, c/o Balshaw's CE High School.

The John Stanning Exhibition has been awarded this year to:

Samuel Clayton

The Lord Robens Prize

The Robens Prize was first awarded in 1966 to May Griffiths (née Butler), also a former member of staff, following the visit of Lord Robens, then Chairman of the National Coal Board, to open the new boiler house at the Leyland & Birmingham Rubber Company. Lord Robens presented the prize on two occasions, in 1966, and January 1982 when he and Lady Robens attended Speech Night. The prize is awarded for outstanding merit in some worthy achievement, and due to the generosity of the Leyland & Birmingham Rubber Company has been awarded every year since 1966. Sadly Lord Robens died in June 1999. Unfortunately the Leyland & Birmingham Rubber Company ceased business in 2002 and has donated two cups for the annual presentation of the Lord Robens and Leyland & Birmingham prizes. The recipients' names will continue to be added to the existing boards. From 2003 the above is under the jurisdiction of the Balshaw's Education Foundation.

**The Robens Prize, presented by the Leyland & Birmingham Rubber Company Ltd
has been awarded this year to:**

Thomas Clarkson

**The L & B Prize, presented by the Leyland & Birmingham Rubber Company Ltd
has been awarded this year to:**

Balshaw's Educational Foundation

One of the purposes of the Balshaw's Foundation is to provide a measure of financial support for former students of the school who are following further courses of study. The courses of study may be at Tertiary or Sixth Form College, at an Institute of Higher Education, at University or an Apprenticeship scheme. Further information can be obtained from the Headteacher or the Clerk to the Foundation, ⁹/₁₀ the School.
